NEOnet
Marketplace

NEOnet's Essential Discount Marketplace (EDM) is an online procurement tool that ensures best value pricing through the competitive bid process, allowing NEOnet members to shop with confidence. The EDM is outfitted with optional direct-to-ERP punch-out ability as well as credit card checkout. Our online marketplace community is a one-stop shop for a number of your supply, equipment, and service needs.

Service Features

- Real-time updated pricing through our vendors' extensive online catalogs.
- Powerful integrated search engine that allows for searching of all vendors simultaneously.
- Price comparison tool to help with determining best value of supplies and equipment.
- Multiple checkout options, including ERP punch-out, purchase order entry, and credit card transactions.
- Bulk and kit quoting directly through vendor representative.
- Customizable workflow path to help control spending habits.
- Pre-negotiated best value pricing.
- Easy-to-use single sign in interface saves the purchasing agent time and money while still maintaining compliance.

For more information regarding NEOnet's EDM and purchasing from this powerful tool, please contact Aly Powell or Christopher Zolla at (330)926-3900, or visit our website at NEOnet.org
