

Technology Integration

NEOnet offers a Technology Integration Service to assist educators in effectively bringing technology into the classroom. We understand the need to keep staff up-to-date on the latest educational technology tools, trends, and best practices; therefore, we are dedicated to offering comprehensive professional development to school teachers and staff.

This service comes at no extra charge to NEOnet Member Schools.

If you are interested in learning more about NEOnet's Technology Integration Services, please contact *Dan Niessen* at dniessen@neonet.org
