Get EdTech PD At Your School

NEOTech 2026 Call for Presenters

Lead a breakout session at our annual EdTech Conference for Northeast Ohio Educators!

March 10, 2026 at Kent State University | Stay tuned to NEOTechConference.org for more

Submit Your Proposal!

Conference Themes

Student Engagement

Technology tools or strategies that engage students in the lesson, make ESL and IEP accommodations, or keep students organized

AI & Future of Edu

AI literacy, tools, or conversations about its impact on education. Innovative EdTech. Teachers' perspectives on PII, cybersecurity, law and policy

STEM, Maker & PBL

Best practices and concrete examples of PBL, creativity with STEM and Makerspaces, or encouraging student voice and choice

Efficiency and Organization

Technology tools or strategies that help teachers and admins stay organized, communicate, or utilize data

Tech & Strategies for Admins

Best practices for maintaining student data privacy, understanding state laws or policies, cybersecurity, project management, and invaluable apps

Join the NEOTech 2026 Robotics Competition

Every year, NEOTech hosts local Middle School Robotics teams in a competition featuring several different games.

If your school has a Middle School Robotics class or club - [fill out this form to join!](#)

Green Local Schools Robotics Competition

Green Middle School will host a robotics Competition for grades 5-8 on February 21st, 2026.

Participation is free! [Learn more here](#)

NEOnet LMS Beta

NEOnet is developing an updated Learning Management System that is designed to be faster, easier to use, and available to NEOnet members schools as well as any other interested educators around the world. It is free to join, and will include a wide array of EdTech PD, from Google basics to the latest in AI for Education. The goal is to roll out the beta before the end of the year.

grades 2-5, these are free physical learning kits for up to 100 kids. The kits include worksheets, activities, magazines, and more!

Wayground Accommodations for Everyone!

Wayground offers teacher the ability to set accommodations on activities on a per-student basis! Meaning teachers assign the same task to students, but designated students will get extra accommodations such as extra time, number of attempts, read aloud, reduced answer choices, and more! Wayground recently made this feature free for all users!
